

ACKNOWLEDGEMENT

During the course of studying at Buriram Rajabhat University, I was helped by many people. I would like to express my great appreciation and deepest thanks to all those who had helped me to complete my study.

First and foremost, I would like to express my appreciation to my supportive advisor, Dr. Surachai Piyanukool for his great devotion, helping, patient, encouragement, academic supports, and valuable constructive comments on my work. Without his mentoring and encouragement, I would not be able to finish my master's study.

My highest gratitude is devoted to all my English teachers in the Department of Foreign Language at the Graduate School, Buriram Rajabhat University.

My special thanks to Assistant Professor Dr. Nawamin Prachanant for his support and kindness to allow me to be a part of his course where I learned so much about the process in conducting a research. I appreciate the generosity of Dr. Chookiat Jarat and Miss. Sumitra Pankulbadee, who gave the advice concerning research methodology.

I appreciate gratitude from all specialists especially Mr. Thanyawit Trairat, my school director, Mr. Nipon On-nuan, Mrs. Ruangrai Promboot, Mr. Nipon Innork, and Mrs. Pensri Sirison for their advices in research instrument constructions.

Special thanks are given to Mr. School Director of Toobchang School for his kindness in giving permission to try out the instruments. I am also grateful and thanks all teachers and students in Nongkrok School, who support and participated all activities in the study.

I am sincerely thankful to my classmates, especially to Mrs. Bussaba Kulkittiyanon, Mrs. Thassaporn Trirat, and Mr. Ruangseen Chaothaisong for their help and feedback to this research.

Finally, my thanks are passed to my inspirational family. Thanks to my father, my husband, daughter, and son, for their great encouragement and valuable support throughout the years of my study.
